Food

- Think it's really good
- They listen to our suggestions and then make it happen, like hot dogs and burritos
- I really love the food!
- Portions are good.

Staggered start to the year

- A bit better
- It was better to see the classroom
- I liked it. I got to see Bear and the classroom without all the people around

Classrooms

- Hedgehogs is better, it's really good. It is bright.
- It made us feel welcome
- There is more space
- Classes are good because there are some old friends and some new friends
- Owls class feels small
- Better than my old school – there is more space and not as many people

Lessons

- Lessons are good.
- We get to learn more
- I can learn easier – before it was frustrating
- I am getting more help with learning
- The behaviour is better

Uniform

- The uniform is nice- blue is a favourite colour
- It is comfortable
- Not too different to the last one

- I think it's good because it looks like a proper school. When you see the older children, they look smart.

Breakfasts

- Breakfast is good
- You can have a cup of tea
- I would like more bagels
