

North Star 180 Provider access policy

Policy Statement Introduction

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil Entitlement

All pupils in Years 7 - 11 are entitled to:

- Find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme, which provides information on the full range of education and training options available at each transition point.
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- Understand how to make applications for the full range of academic and technical courses.
- For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for year 7, 8 and 9 pupils and two encounters for year 10 and 11 pupils. These provider encounters will be scheduled during the main school hours, and the provider will be given a reasonable amount of time to, as a minimum:
- Share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- Explain what career routes those options could lead to
- Provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)
- Answer questions from pupils.

Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils.

Previous providers

In previous terms/years, we have had the following providers from the local area to speak to our pupils:

- Access Creative College
- Bath College
- ASK Apprenticeships
- City of Bristol College
- On site
- Wiltshire College
- Project search

Management of Provider Access Requests Procedure

A provider wishing to access should contact Mr **Nick Moore**, Careers and Personal Development Lead.

• Tel: 01225 832212

• Email: nicholas.moore@northstar-academy.co.uk

It is noted that this policy, and any provider access is managed in line with the Academy's Safeguarding Policy.

Opportunities for access

The school offers the six provider encounters required by law and several additional events, integrated into the school careers program. We will offer providers an opportunity to come into school to speak to pupils or their parents or carers. Please speak to our Careers Leader to identify the most suitable opportunity for you.

Premises and Facilities

The Academy Trust will make the main hall, classrooms, library, or private meeting rooms available for discussions between the provider and students, as appropriate to the activity.

The Academy Trust will make available Audio Visual and other specialist equipment to support provider presentations. This will be discussed and agreed in advance of the visit with the Careers Leader and wider team.

Meaningful online engagement is also an option, and we are open to providers that can provide live online engagement with our pupils. Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the school librarian. The Resource Centre is available to all pupils at lunch and break times.

Complaints

Any complaints with regards to provider access can be raised following the school complaints procedure or directly with The Careers & Enterprise Company.

Approval and Review

Approved by Serra Orumlu (Headteacher)
